Re: ECSA District (L3) Program Decision

Dear Vancho and Ryan,

Thank you for applying to be the representative of the ECSA District (L3) program and attending our Board meeting held on September 5, 2017.

After careful consideration of both the Windsor TFC and Tecumseh Soccer Club proposals and associated presentations the ECSA Board of Directors has decided that **Windsor TFC** will be the District (L3) program representative for 2018.

Windsor TFC will have District playing out rights at the L3 level for **one year/season (2018)** after which the ECSA Board will either renew, renew with conditions or terminate Windsor TFC's playing out rights. Windsor TFC will be expected to populate teams in both the 2004 and 2005 boys and girls division in the Western Region Soccer League (L3).

Eastside Kickers SC and Windsor FC Nationals will continue to have grandfathered District playing out rights at the L3 level for the 2003 birth years and older.

With regards,

Joe Barile, ECSA President
